

## COMPLETED RESEARCH

|  |                  |
|--|------------------|
| Protocol No.                               | RERU No.         |
| Protocol Title:                            |                  |
| Name & Signature of Principal Investigator | Date Submission: |
| Name & Signature of Principal Sponsor      | Date signed:     |

| 1 Summary of Research Statistics (for clinical research)  | TOTAL NUMBER |
|---|--------------|
| a. Participants in the approved protocol  |              |
| b. Participants actually enrolled   |              |
| c. Participants completing the study  |              |
| d. Withdrawals from the study<br>(Provide a list of the reasons for withdrawals)                                |              |
| e. AEs reported   |              |
| f. SAEs reported  |              |
| g. SAEs associated with the intervention (if applicable)<br>(Include Data Safety Monitoring Board if available) |              |

| 2. Summary of Research Statistics (for non-clinical research)         | TOTAL NUMBER |
|---|--------------|
| a. Charts/FGDs/interviews proposed according to the approved protocol |              |
| b. Charts/FGDs/Interviews completed                                   |              |

|  |
|--|
| 3. Dissemination Of Results  |
| a. Provide a brief statement of the findings from this study. Use an extra sheet if necessary. |
|  |

b. How do you plan to publish your study?

c. How do you propose to inform study participants of the result of your study? Or the results of treatment regimens/ procedures conducted on them (if applicable)?

**4. Sample/Data Retention and Management**

|  | LOCATION | DURATION | RESPONSIBLE PERSON | REMARKS |
|--|----------|----------|--------------------|---------|
| Records                                |          |          |                    |         |
| Encoded Data                           |          |          |                    |         |
| Biological samples                     |          |          |                    |         |
| How long are samples linked to source? |          |          |                    |         |
|  |          |          |                    |         |

**5. Submission of Completed Research Report**

|                              |                             |
|------------------------------|-----------------------------|
| YES <input type="checkbox"/> | NO <input type="checkbox"/> |
|------------------------------|-----------------------------|
